BUILDING A TEMPLE

A builder builded a temple,
   He wrought it with grace and skill;
Pillars and groins and arches
   All fashioned to work his will.
Men said as they saw its beauty
   "It shall never know decay.
Great is thy skill, O builder:
   Thy fame shall endure for aye."

A teacher builded a temple
   With loving and infinite care,
Planning each arch with patience,
   Laying each stone with prayer.
None praised his unceasing efforts
   None knew of his wondrous plan
For the temple the teacher builded
   Was unseen by the eyes of man.

Gone is the builder's temple,
   Crumbled into the dust;
Low lies each stately pillar,
   Food for consuming rust.
But the temple the teacher builded
   Will last while the ages roll,
For that beautiful unseen temple
   Is a child's immortal soul.

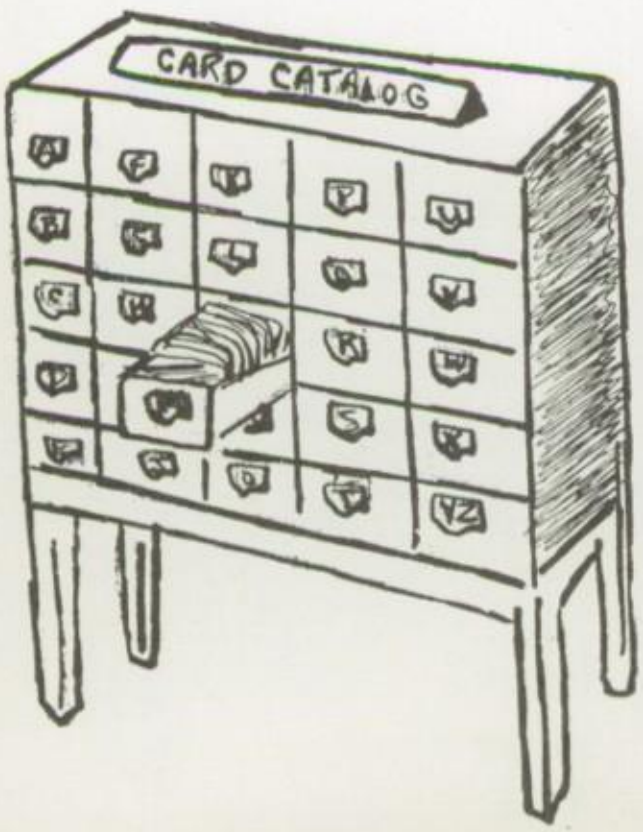
LIBRARY CLUB

Peterson, S. Arndt, V. Fide, Klepp; Aguilar, J. Schmidt, B. Barry.



The Library Club has a special appeal for those with artistic and literary interests, as well as for those who wish to be of service to their school. Planning and arranging bulletin board displays, reading the new books and telling other students about them, assisting at the circulation desk-these are among the duties of the members.

Several new pictures have been added to the decor of our library-study hall. A former American Legion Commander, Mr. William M. Verhulst, was instrumental in sending us two plaques, one of the flag of the United States and one of the Declaration of Independence. Pictures in memory of the deceased Henry Brach, a former Racine County Superintendent of Schools, are in frames that allow the pictures to be changed. Club members change the pictures from time to time.

This year the club chose Myrna Peterson, president; Herminia Aguilar, vice-president; Jean Schmidt, secretary; and Bonnie Barry, treasurer. In the spring, the girls enjoyed a field trip.
